# RACE HISTORY

The Standard Chartered Champions & Chater Cup has a history that dates back to 1870. That original incarnation was titled the Champion Stakes and preceded the inauguration of England's Champion Stakes at Newmarket by seven years.

Sir Catchick Paul Chater, founding member and Club Chairman for 34 years from 1892, won the race five times. Upon his death in 1926 the Champion Stakes became the Chater Cup and was further retitled the Champions & Chater Cup in 1955.

The post-war years saw the contest staged over 2012m until the distance was lengthened to 2230m in 1973. In 1978 it became an 1800m event and retained that distance when the race moved to Sha Tin the following year.

When the Hong Kong Triple Crown series was introduced in the 1991/92 season, the Champions & Chater Cup was installed as the third and final leg. It was granted HKG1 status and upped to 2200m with purse money of HK\$2 million. The distance was increased to its current 2400m in 1995, the year that the John Moore-trained pair Makarpura Star and Survey King dead-heated for victory.

The Hong Kong Jockey Club entered into a strategic partnership with Standard Chartered (Hong Kong) Limited in the 2009/10 season and in 2015 the race attained international G1 status. The prize money was further increased by HK\$2 million to HK\$12 million in 2021.

Since 1975, multiple winners of the Champions & Chater Cup include four-time champion River Verdon (1991, 1992, 1993, 1994) and three-time winners Super Win (1975, 1976, 1977), Silver Lining (1978, 1979, 1981) and Viva Pataca (2006, 2007, 2009), two-time winners Co-Tack (1983, 1984), Gay Eighties (1985, 1986), Indigenous (1997, 1998), Oriental Express (1999, 2001), Blazing Speed (2014, 2016) and Exultant (2019, 2020).

# 2021 STANDARD CHARTERED CHAMPIONS & CHATER CUP

A perfect ride aboard the Tony Millard-trained Panfield delivered Karis Teetan Group 1 success in the Standard Chartered Champions & Chater Cup (2400m) at Sha Tin on Sunday, 23 May, 2021, further enhancing the subsequent Champion Stayer of last season's record with a first top-level win in Hong Kong and fourth overall after he struck three times at Group 1 level pre-import in Chile.

"It's been a long time since I got one of these big ones, but this feels good. You need to just keep working hard and it will come," Teetan said.

Teetan tracked Exultant and Zac Purton relentlessly behind the pace-setter Time Warp before mounting his challenge in the straight, clawing his way past the five-time Group 1 winner before withstanding a late challenge from Joao Moreira and Columbus County to lift Standard Chartered Champions & Chater Cup glory.

Half a length separated Panfield and Columbus County, with Exultant a length and a quarter further back in third position.

"At the 700 (metre mark), I knew this horse would go right through the line because he literally dropped down a gear and started to motor home," Teetan said. "(But) you know when Joao comes next to you in a race, you know you've got a hard battle. In those big ones, he's come next to me a few times and he's got the better of me and I was like 'C'mon Joao, not today' and it pays off."

"We did a good 1800 metre workout and if any of you saw it, it was unbelievable. He broke 60 seconds for 1000 (metres) and he came home (the last 400m) in 21.8 and Karis was hanging onto him," trainer Tony Millard said after the race.

The victory was both Millard and Teetan's first in the history of the race.

"Karis rode a beautiful race today, that's exactly how we planned it and it worked out to an absolute tee. I'm very happy for him because it gives him the confidence to know that if he is on the right horse that he can do it. Quite clearly this horse was the right horse today and he did everything 100 per cent," Millard said.

The race was Exultant's final of his storied career as a stayer in Hong Kong. Tony Cruz's champion was retired soon after with earnings of HK\$83.49 million.

# 2021 STANDARD CHARTERED CHAMPIONS & CHATER CUP (CON'T)

**Purse:** HK\$12,000,000

**Going:** Good To Firm

**Distance:** 2400m
