Likely Positions After Settling

Pace : FAST

Inside Rail

This will be strongly run, but there are not a lot of front-runner in the field. KILLYBEGS WARRIOR generally goes forwards, is drawn near the rail and could be a slightly lit up in first-time cheekpieces. WADACRE GOMEZ can lead, but often only when the pace is steady, drawn quite wide he probably won't take them along, but should be prominent. The progressive ENFIJAAR is also drawn wide, but was prominent when winning the 20-runner John Smith's Cup and will probably deploy similar tactics. DUAL IDENTITY, OUZO and SIR BUSTER are likely to be held up for late challenges down the long home straight.

Pace : AVERAGE

Juveniles are usually ridden conservatively at this distance at this time of year so expect an average pace. COOL HOOF LUKE led in the Coventry Stakes at Royal Ascot and may well go forwards again though he is trying further. TIGER MASK made all to win at Ascot last time and could dispute. THE PARTHENON will probably be ridden in midfield.

Pace : FAST

ART POWER is a confirmed front-runner, but a sprinter, it seems likely he will take a good bit of restraining given the slightly slower pace this race will be run at. POGO is usually prominent as is AUDIENCE and they will both be near the front. KINROSS will sit further back and challenge late. NOBLE DYNASTY has won from the front and midfield, given the pace in the race it seems likely he will be held up this time.

TASHKHAN often leads, including in the 31-runner Cesarewitch, and will be prominent. AL QAREEM may dispute it, the pair setting a solid pace. KYPRIOS will probably follow those two. GREGORY and particularly SWEET WILLIAM to launch challenges after they turn for home.

DEMOCRACY DILEMMA usually goes fast in front and he should take them along up the middle of the track at a fast pace. TATTERSTALL is usually prominent and should be thereabouts on the far side. EQUILATERAL will launch a challenge from midfield and FAIR WIND may come from even further back often being held up in rear, though racing in midfield for his recent Ascot win.

Plenty of debutants here, in the main they will get a little outpaced early through lack of experience though Charlie Johnstone's BLUE PINATUBO will probably be well schooled and near the front. CARRAODS led here when second last time and looks the most likely leader. WHITE CHAPEL ROAD and VALSHARAH both raced prominently last time. I MAXIMUS got an awkward start and ran green, but with promise on his debut. He'll know more this time and should get away on better terms.

A competitive handicap with a lot of pace in the field should ensure this is run quickly. STRUTTING will be up there along with SURVEYOR, who may grab the rail from her lower draw. QUEEEN'S REIGN led last time and should be towards the front again, probably with IMPERIAL EXPRESS. GRAY'S INN has been disappointing this term coming from well back, but could be a late closer along with ARISAIG.

Naturally this sprint will be quickly run. DANCE AND ROMANCE likes to be up with the pace and may lead on the far side. MISS BOADACUOUS is often prominent and could take them along on the stands' side. STAR OF LADY M got first run for her Newmarket win last time and similar tactics would seem sensible. JUMBEAU ran well from the front on his penultimate start, but can be held up as well. KATEY KONTENT will probably come out of the pack.
