ATTILA THE HONEY is a confirmed front-runner and will take them along here. GALLANTLY should be prominent, perhaps with MIDNITE STORM and OPEN SECRET in a first-time visor. LORD OF THE LOVE will probably be played late, SUBSEQUENT also attacking in the home straight.

Not a huge amount of pace in this field meaning FAIR ANGELICA, who is usually prominent and can lead, may end up making the running. PRETTY CRYSTAL could also be prominent. JABAARA is likely to be held up for a run. KATHMANDU did best making it in the French Guineas and may try to repeat that.

This will be very fast-run. CELANDINE usually makes the running, is experienced and will probably just lead. FUJI MOUNTAIN, KING'S CALL, ARRAN and MR LIGHTSIDE are all likely to be up there. AESTERIUS has also tended to be quite prominent and shouldn't come from too far off the pace.

This could be really cagey with no natural front-runners in the race. NOTABLE SPEECH and ROSALLION look certain to be held up and outsider SONNY LISTON always comes from the back. The other three have all raced prominently, but rarely made it and it may be that Aidan O'Brien decides to let HENRY LONGFELLOW dictate matters from the front. A steady pace seems assured followed by a sprint for home.

AL ANOUD led last time and was prominent in her races prior to that, she seems likely to be up there. SECRET SOLACE has been in the front rank, but run poorly in her recent runs, head gear might light her up, but a return to hold up tactics could be tried. That could mean ROARIN' SUCCESS disputes the pace with CANDLE OF DUBAI prominent as well. POWER OF DESTINY may be a late closer, WISPER also tending to come from well back.

Charlie Johnston likes to let his charges find their own rhythm and that often means they are towards the front. BAILEYS JUBILATION and WHERE'S CLARE will probably be in the front rank. STORM CALL has also raced prominently to date and ZIGGY'S ARIEL led last time. XANTHE appeals as one that could come out of the pack in the closing stages.

DRAGON LEADER goes forwards and should be towards the head of affairs. Expect HIERONYMOUS and MISS INFORMATION to be up there as well. BILLYJOH will probably come out of the pack, but it is hard to know what METAVERSE will do having run well from the front and midfield, the latter looks more likely.
