Likely Positions After Settling

Pace: FAST

Fast pace is guaranteed over the minimum distance with horses spread right across the course. DEMOCRACY DILEMMA will probably lead on the far side, WE NEVER STOP and NEVER DARK taking them along down the centre of the track. SHAGRAAN launched an attack from midfield to win at Goodwood and could repeat those tactics. PILGRIM and HOLKHAM BAY will also come with challenges, both on the stands' side.

Pace: AVERAGE

There is an early kink in the course for this race, but essentially no bend. OUR TERMS led at a good pace for his maiden win at Ascot last time and despite a high draw could go to the front again. JOUNCY and DIABLO ROJO were both prominent in their most recent races so should be up with the pace. RULING COURT was inexperienced and came from last to first for an impressive debut win. He should know more this time and may be ridden closer to the front.

As is so often the case Aiden O'Brien holds all the tactical aces here with three runners. The aim will be to set the race up for Irish Derby winner LOS ANGELES who will probably drop in behind two pacemakers in EUPHORIC and ILLINOIS. KNG'S GAMBIT has won from the front and the back, on this occasion he seems certain to have to be held up. The remaining runners usually challenge from the rear.

Japanese challenger DUREZZA made the running when winning the Kikuka Sho (Japanese St Leger) and was a bit free early as well. He also led on his penultimate start and was again near the front when disappointing last time. It is hard to see him not forcing the pace. The O'Brien team though will try to control things with HANS ANDERSEN, CITY OF TROY ideally slotting in behind him to guarantee a nice trip on the inner. GHOSTWRITER looks poorly drawn in 13. BLUESTOCKING came from the rear in the fast-run King George at Ascot. AMBIENTE FRIENDLY travels very well and should loom into contention in the straight. CALANDAGAN is another that will come from a long way back and don't be surprised to see MALJOOM closing late.

Pace: FAST

A long haul at a steady pace probably set by ZOFFEE and BRINGBACKMEMORIES. FORZA ORTA can also race prominently. GREAT BEDWYN came from behind last time, but had been prominent in his recent races prior to that. One that seems very likely to try to come from off the pace is QUANTUM LEAP, he will be towards the back with EVALUATION.

 Likely Positions After Settling

Pace: FAST

A fast-paced sprint with horses right across the track. Tricky to know what will lead given most of the runners have mixed their tactics up in recent races. ENCHANTING is often towards the front, similarly BOADICIA and on the far side MIDNIGHT AFFAIR could take them along. GOT TO LOVE A GREY will probably be close to the pace, GUTSY GIRL a little further back and launching a challenge in the closing stages.

Pace: FAST

Expect a hotly contested, fast-run race. MANAGING DIRECTOR looks the likely leader, ROKUNI and perhaps FAR ABOVE THE LAW disputing matters. SCATTER PENNY and IT AIN'T TWO will probably come with late challenges, similarly MOVING FORCE and ARTAGNAN.
