# RACE HISTORY

The Queen's Silver Jubilee Cup started out as the Queen's Silver Jubilee Challenge Cup, a 2230m handicap staged at Happy Valley in 1977 to celebrate the Silver Jubilee of Britain's Queen Elizabeth II. The distance and class of the race changed many times throughout the first 20 years until in 1997 it became a mile contest. In 2000, the Queen's Silver Jubilee Cup ("Challenge" was dropped from the race title in 1989) was upgraded to HKG3 level; two years later the contest achieved HKG2 status and in 2006 it was further upgraded to HKG1 level. The race distance was shortened to the current distance of 1400m in 2005. The race was upgraded to Group 1 status in 2014/15.

The Queen's Silver Jubilee Cup is now the second leg of the Hong Kong Speed Series, falling between the G1 Centenary Sprint Cup (first leg - 1200m) and G1 Chairman's Sprint Prize (final leg - 1200m). Able Friend produced a sensational win in this race in 2015 that placed the brilliant chestnut at the top of the LONGINES World's Best Racehorse Rankings. Beauty Generation, Hong Kong's Horse of the Year in 2017/18 & 2018/19, completed an unprecedented hat-trick three years in a row (2018, 2019 and 2020). Other past winners of the race include standout champions Ka Ying Rising, Ambitious Dragon, Lucky Nine, Good Ba Ba, Electronic Unicorn, Wellington, Lucky Sweynesse, California Spangle and the great Silent Witness, who notched his record 17th consecutive career win in this race in 2005. The race's prize money has been increased to the current level of HK\$13 million in 2024.

The Queen's Silver Jubilee Cup was ranked equal 47th in the World's Top 100 G1 races in 2025.

# 2025 QUEEN'S SILVER JUBILEE CUP

Ka Ying Rising continued his imperious reign as Hong Kong's sprint monarch at Sha Tin with a superb victory in the HK\$13 million G1 Queen's Silver Jubilee Cup (1400m) for David Hayes and Karis Teetan.

Settling outside the leader and victor of the 2024 edition California Spangle, Ka Ying Rising cruised to the lead entering the straight before rallying late under pressure to resist the charging John Size-trained quartet: Helios Express (second), Howdeepisyourlove (third), Beauty Eternal (fourth) and Red Lion (fifth).

Recording a slick 1m 20.33s at his first attempt over 1400m, Ka Ying Rising notched his 11th win from 13 starts to secure the second leg of the Hong Kong Speed Series. Hayes admitted to rare anxiety when Helios Express emerged from a chasing pack to raise a serious challenge at the 200m.

"I had a nervous moment at the 200m but on the line I think he was holding them very well. It was an enjoyable last 100m but a frightening 200m," Hayes said. "(Karis) said when he put him under pressure he responded and he felt he didn't have to give him much more. He's a very special horse. There should be a lot more to come."

Substituting for an injured Zac Purton, Teetan was ecstatic post-race, and said: "It's unbelievable how this opportunity came up to be sitting on one of the world's best horses. I'm just really thankful that everything worked out well – I think I was just the pilot on him today. He flew out of the gate, I wanted him to use the early speed that he has but sort of dropped my hands and he just came back to me pretty easily and he was waiting for me to press the button and, when I did, he produced really well.

"I want to thank the owner and David and finally Zac. I spoke to him during the week and he was really kind. He said 'Just know you're on the best horse and ride him like that and trust him', so thank you to Zac."
